Group Membership Information & Application Form

In order for you to use our services it is necessary for your group to become a member of the Bridgnorth Community Transport Group.

The annual membership fee is £15 and covers all members of that group. Legal restrictions on us mean that users of our services either have to be members themselves or belong to a group or organisation that is itself a member.

The Bridgnorth Community Transport Group is a not-for-profit organisation, established to provide affordable, accessible transport to local people who have difficulty in accessing other forms of transport. We currently have three wheelchair accessible minibuses – two 15 seaters and one 14 seat - which are available for use by local voluntary groups. We make a charge (currently £1.10 per mile) to cover our operating costs but, since the drivers are volunteers and we do not seek to make a profit, you will find that this is considerably lower than commercial hire rates.

Please send this application form along with your group membership subscription to:
Memberships, Bridgnorth Community Transport Group, 16 St John's Street, Bridgnorth, Shropshire WV15 6AG
(Your cheques for £15.00 should be made payable to "Bridgnorth Community Transport Group").
