INDIVIDUAL MEMBERSHIP APPLICATION

The Bridgnorth Community Transport Group is a not-for-profit organisation, established in 2005 to provide affordable, accessible transport to the people of the former Bridgnorth District Council area who have difficulty in accessing other forms of transport. We currently have two wheelchair accessible minibuses – two 15 seaters and one 14 seater - which are also available for use by local voluntary groups.

Legal restrictions on us mean our passengers have to be members themselves. The annual individual membership fee is £5.00. If you would like to use our services please complete and return the form below with your subscription. Your membership will run for 12 months from the end of the month in which your membership form and fee are received by us. Your membership card will be sent to you and should be presented to your driver each time you use our services.
